

JONESCO

The Winter Collection

The Winter Collection

Jonesco can help you get well prepared for the colder months, with a lineup of perfect winter products.

Starting with our range of hardcovers for drum pallets and IBC bunds. As snow and freezing temperatures approach, it's essential to protect your goods by having the the right storage equipment. Designed for outdoor use and to withstand extreme weather conditions the hardcovers create the ideal storage solution, great for keeping material safe, secure and away from the elements.

Then, completing the lineup, is Jonesco's selection of rugged storage boxes that can be used indoors and out, for sand, salt and grit, and any number of things. Available in various sizes and formats, together with some useful accessories, these bins offer the ultimate quality solution for when that cold snap hits!

Drum hardcover

Clean, secure and weathertight static spill containment. The spill pallet hardcover is available in three sizes and two capacities. Entry to the hardcover is available from both sides courtesy of the sliding shutter design, which can also be padlocked (padlock not included).

IBC hardcover

Jonesco's nestable IBC spill pallet comes complete with a rigid compartment that can be secured against the elements. The IBC hardcover features double swing doors with a three-point locking mechanism, an integrated two litre platform spill tray for small spills and integrated vents. The easily assembled unit (fixings supplied) has ample headroom to make loading easy, and for IBC mixers, pumps and funnels.

SitePoint

The SitePoint is a customizable mobile display and storage unit. Available in a choice of four colors the SitePoint has a large two-sided 42 x 23" display area and a 266 gal. capacity storage base. Easily fix items to the backboard using self-tapping screws or bolts (not included). Maneuverability is made easy thanks to its easy tipping point and large wheels. Full color logo plates available.

UniKart

Versatile, robust and durable. The UniKart is the ideal multi-purpose mobile storage unit. Ergonomic handles and large rubber wheels make for easy handling and maneuverability. The UniKart's lid can be secured in a vertical position for convenient dispensing and loading. Full color logo plates available.

Nestable storage box

Jonesco's nestable storage box is a versatile choice for various settings, including indoor and outdoor use, with a particular advantage for petrol forecourts given its compact footprint. With a 29 gal. capacity, this box proves perfect for storing sand, salt, and grit, making it an excellent solution. Full color logo plates available.

Space-saving storage box

Jonesco offers its space-saving storage box in two sizes, 34 and 53 gal, providing options to suit your needs. Its sleek design makes it perfect for when space is at a premium, and the generous opening ensures convenient access. The two boxes also feature forklift access, making them ideal for all sorts of applications, including the storage of sand, salt, and grit. Full color logo plates available.

130 gal.

200 gal.

Heavy-duty storage box

Designed for both indoor and outdoor storage of sand, salt, and grit, Jonesco's sturdy storage box is built to withstand heavy use. It boasts a substantial 105 gal. capacity, and the lid opens wide at 180 degrees, ensuring effortless access. Its angled design facilitates water runoff, while the inclusion of forklift and pallet truck access adds to its practicality. Full color logo plates available.

Large storage box

Boasting a 132 gal. capacity this is the largest storage box in Jonesco's range. Ideal for storing sand, salt and grit, the optional castor kit provides seamless maneuverability. The unit has a self-assembled lid, which comes complete with a cam lock, lid restraining straps and a knob.

Shovels

Jonesco offer two types of shovel, a green two-piece and red telescopic, along with with a smaller scoop. All three products are great for use with sand, salt and grit making them the ideal companion for our storage boxes.
