

TECHNICAL DATA

DRUM FUNNEL

11/2026-v02

Key Features

- Engineered for the safe and clean decanting of liquids into 55 gal drums
- Easy pouring while minimising spills
- Hinged lid with optional toggle latch protects against rainwater, debris or other contaminants from entering the drum
- Stainless steel debris strainer keeps collected liquid free from contaminants
- 250° top opening provides optimal access
- Easily open and close lid in a simple, single-handed operation
- Manufactured from 100% polyethylene
- UV-resistant, impact resistant and compatible with broad range of chemicals
- Use alongside our **Drum Tray** for ultimate secondary spill containment
